# WHY WESTON WALKS ARE SO POPULAR

**Veteran Pedestrian Comments  
on Remarkable Crowds That  
Accompany Him in Boston.**

Edward Payton Weston, the veteran pe-  
dlerian whose feat of walking from Port-  
land, Me., to Los Angeles, Cal., in 1890, is  
the athlete of the world, is in Boston to-  
day arranging the fourth walk of the  
kind in the United States.

Mr. Weston is much impressed with the  
interest of the people in the walks. "I have  
seen these walks in Boston," were thousands  
of boys and men have turned out even in the  
rain," he said.

Mr. Weston to-day said he attributed the  
unparalleled success of the walks in Bos-  
ton to the fact that the people who read the  
HOSTON AMERICAN.

"I have been more than once impressed  
with the fact that the people who read the  
number of people I saw reading the AMERI-  
CAN," he said.

Probably this has caused our walks to be  
so successful. The AMERICAN is the only  
paper in Boston that has been successful in  
carrying about the plans of the E. P. Weston  
Walking Club. At one time I have seen  
thousands of people reading the AMERICAN  
though on two occasions the rain was  
too much for them and they were driven  
by thousands of enthusiastic walkers.

## PARKER WILLING TO BE TAFT DELEGATE

FORMER ATTORNEY-GENERAL'S CONCESSION  
PLEASES SECRETARY'S BOOMERS.

With that announcement today that formerly Attorney General Herbert Parker had said "Yes" to the other good Republicans who had asked him to be a Fourth Congressional District delegate to the Republican National Convention in Chicago, Mr. Parker will be, first, late and all the time for William Howard Taft of Ohio, the contended souls of the Taft League in and around Boston seemed to expand and expand.

The Taft League of Massachusetts will meet at the Hotel Marlborough-Britton at 8 o'clock tomorrow night. It should be necessary—and go into the field behind the delegate-to-be. They have no fear, however, that in his own corner who will support the passengers were read in the morning. The edition, fifteen were reading BOSTON AMERICAN. This is the first time in the history of the city that will be remarkable for the numbers in line.

The delegates of Boston I have found to be brighter and more intelligent than elsewhere. They are the best of the best.

"I don't desire anything more will be  
 done—more than the authorized announce-  
 ment that I am a candidate for the presi-  
 dency. Mr. Parker hasn't done much politi-  
 cally for several years. When he left the  
 office of the governor he was disappointed  
 in determining that politics would mean  
 nothing to him. He is now engaged in  
 determining of facts and soundness."  
 Mr. Parker said at the Fair headquarters  
 that it is not needed that he conserve  
 his strength for the coming year. The  
 usual pressure of many of his best friends  
 is to have him run for the presidency. It  
 is, of course, a notable affair, and will  
 be a great honor to him. He is not  
 of the merits of candidates in any district  
 we shall do all in our power, of course, to  
 further the Parker candidacy.

have been orderly and polite at all times.  
 They were very much interested in the  
 city. If American war wants good  
 they will be found in Boston in the future.  
 Mr. Weston gave the fourth with a  
 very good speech. He was very  
 marrow from Grove Hall. The club will  
 march through Warren street to Washington  
 street, Tremont street and Cornhill

## SUN SHINES TO-MORROW; BE READY, SAYS WESTON

BY EDWARD PAYSON WESTON.

MY friends have all been following me through ten previous storms in our walks on February 1st and 2nd. I will relate with you that our fourth walk tomorrow we have a reasonable prospect of a delightful day. The sun is to shine on our efforts to achieve in popular esteem this interesting exercise on the anniversary of the birthday of the father of our country.

I am so proud of what you have done already that I feel assured you will do your best to make this the greatest walk we have had. And you will be most heartily greeted by your sisters and sweethearts, as well as by a host of men who will take pride in your new check and carry bag.

To show the great good the BOSTON AMERICAN is accomplishing in inaugurating these "walking clubs," I receive hundreds of letters every day from members who have followed me in the first three walks. One of the most interesting is from E. J. Kenney, Jr., of No. 16 Woodland Park, Dorchester. He says:

"In the morning rain on Wednesday I walked from Bedford and Lincoln streets to Northhead, a distance of about eighteen miles, in 4 hours and 25 minutes, including a rest of thirty minutes at Lynn for lunch."

Then, following my instructions, he looked off his wet clothing, bathed his face in the salt water, and was in splendid condition the following day. Considering the state of the roads, I consider this a marvelous performance, and clearly shows the advantage of practice. However, I should like to see you at the Springfield, when the roads are better. Be ready to join the great throng at 2:30 p. m. Saturday.

The walk in Lynn is held on Monday, February 22; in Brookton, Tuesday, February 25; Worcester, Wednesday, February 26; and in Providence, R. I., Thursday, February 27.
